

LET'S PLAY PICKLEBALL!

Brief History - Pickleball was invented in 1965 on Bainbridge Island, a short ferry ride from Seattle, WA. Three dads, Joel Pritchard, Bill Bell, and Barney McCallum, whose kids were bored with their usual summertime activities, are credited for creating the game. Pickleball has evolved from original handmade equipment and simple rules into a popular sport throughout the US, Canada, and even internationally.

The Basics - A paddle sport created for all ages and skill levels. The rules are simple and the game is easy for beginners to learn but can develop into a quick, fast-paced, competitive game for experienced players.
